1. The amount of rent listed is the amount requested by the landlord. The actual amount of rent the BHA will authorize must be reasonable for the unit as determined by BHA in accordance with federal law. The rental amount cannot be determined until after the unit passes a Housing Quality Standards inspection and the appropriate tenant utility allowance is determined.

NOTE - The unit may not be "affordable" to you if it requires you to pay more than 40% of your income for rent. This is sometimes a problem for families on fixed incomes.

2. The security deposit listed is the amount requested by the owner. If payment of the security deposit is a financial obstacle to you, you may either be able to negotiate with the owner to allow you to pay the security deposit over a series of months or you may qualify for assistance through the City of Berkeley Security Deposit Loan Program.

3. If you are interested in renting the unit, you are encouraged to visit the site at different times of the week and different times of the day and night to get a true feel for the neighborhood.
